INTERNATIONAL SCIENTIFIC CONFERENCE
“PRESERVATION OF GLACIERS AND EFFECTIVE USE OF
WATER RESOURCES IN CENTRAL ASIA” DEDICATED
TO “2025 – THE INTERNATIONAL YEAR OF GLACIER
PRESERVATION”

Tajikistan, Dushanbe, October 9-10, 2024

ANNOUNCEMENT

Dear Colleagues!

The Research Center for Ecology and Environment of Central Asia (Dushanbe) announces the holding of the International Scientific Conference ***“Preservation of Glaciers and Efficient Use of Water Resources in Central Asia”***, ***dedicated to “2025 - the International Year of Glacier Conservation”***.

The conference will take place on October 9-10, 2024 in Dushanbe, Republic of Tajikistan.

The conference program includes the following scientific areas:

- Monitoring of glaciers and issues of their conservation.
- Sustainable water management.
- Impact of climate change and anthropogenic impact on glaciers and water resources.

Working languages of the conference: Tajik, Russian and English.

Registration and submission of materials (articles)

To participate in the conference, you must fill out the registration form, submit an article and send it by E-mail: rceeca.dushanbe@gmail.com until August 31, 2024

Registration form

Surname	
Name	
Country	
Academic degree	
Academic title	
Job title	
Organization	
Affiliation (full name) *	
Work/home phone	
Postal address with zip code	
E-mail address*	
Section number and name	
Title of presentation*	
Preferred presentation format (oral/poster)	
Booking a hotel room (Yes/No)	

The conference will include plenary and sectional sessions. The publication of conference materials is expected to begin at the beginning of the conference. The authors are responsible for the accuracy and scientific novelty of the materials provided. The organizing committee has the right to reject articles that do not correspond to the theme of the conference.

Requirements for submission of materials for publication

Those wishing to make scientific reports are asked to submit articles of no more than 6 pages, including tables and graphs, for inclusion in the conference program. Articles must be submitted in A4 format (210 x 297 mm) with 1.0 spacing (Microsoft Word, Times New Roman font, font size 12 point). Margins: on all sides - 20 mm, red line - 1 cm. In the title in capital letters indicate the title of the article, in the middle the name of the author (authors), below the name of the institution indicating the email address, then the text of the article. References to the literature used are in square brackets - [1], as they are cited in the text.
